

SECURITY WASTE

Ace Waste provides complete destruction of your confidential documents, sensitive materials and e-waste.

SECURITY WASTE

Confidential and secure

Ace Waste guarantees that your confidential materials are destroyed, leaving no remnants or traces, using high temperature thermal solutions.

Fully Licensed Personnel

Ace Waste Personnel are fully trained and certified to collect, transport, store and dispose of these security wastes.

Transparent and trackable

Experience complete peace of mind knowing that your waste will be disposed of responsibly. Our patented Ace Waste Live™ Tracking System ensures that your waste is fully traceable, with real-time tracking, with a guarantee of total destruction..

Ace Waste is an accredited waste management company who has long-standing partnerships with private and public sector organisations. We ensure the complete destruction of your confidential and sensitive materials, with no possibility that it can be retrieved.

For the most secure form of destroying your confidential material, we offer you a reputable service for the collection and destruction of the following:

- Police and security forces records.
- Doctors and health facilities, e.g. patient records.
- Intellectual and branded material.
- Confidential documents and data, e.g. customer and financial files.
- CDs and DVDs.
- Video and audio cassettes.
- Digital media.
- Microfiche.
- Computer and laptop hard drives.
- Microchips.
- Electronic data.
- Mobile phones.
- Sensitive materials.

The trusted partner for the security, forensics and intelligence sector

- Protect your organisation, staff, clients and stakeholders from unnecessary risk. Eliminate the risk of data leaks.
- Blended waste streams means that metal, electronics and documents can be completely destroyed without the need for the time-consuming separation of waste.
- Our facilities exceed all federal mandated guidelines.
- Our personnel are security vetted with safeguards in all stages of collection, transportation and disposal.
- A Certificate of Destruction is available for your assurance.
- Alternatively, if you would like to witness the disposal of your waste, we can work with you to arrange a suitable time for you to attend the incineration/ destruction process.
